

HTG Molecular Presenting at Upcoming Healthcare Conferences

November 12, 2018

TUCSON, Ariz., Nov. 12, 2018 (GLOBE NEWSWIRE) -- [HTG Molecular Diagnostics](#), Inc. (Nasdaq: HTGM) (HTG), a provider of instruments, reagents, and services for molecular profiling applications, today announced that TJ Johnson, Chief Executive Officer, will present a corporate overview the Canaccord Medical Technology & Diagnostics conference being held November 15, 2018 at the Westin St. Francis Hotel in New York City, and Shaun McMeans, Chief Financial Officer, will meet with investors on a 1x1 basis at the Craig Hallum Alpha Select Conference being held November 15, 2018 at the Sheraton New York Times Square Hotel. Details of both meetings are as follows:

Canaccord Medical Technology & Diagnostics Conference

Date: Thursday, November 15
Time: 11:00 am Eastern Time
Location: Westin St. Francis Hotel

Craig Hallum Alpha Select Conference

Date: Thursday, November 15
Time: 1x1 meetings
Location: Sheraton New York Times Square Hotel

About HTG:

HTG is focused on next generation sequencing (NGS) based molecular profiling. The company's proprietary HTG EdgeSeq technology automates complex, highly multiplexed molecular profiling from solid and liquid samples, even when limited in amount. HTG's customers use its technology to identify biomarkers important for precision medicine, to understand the clinical relevance of these discoveries, and ultimately to identify treatment options. Our mission is to empower precision medicine at the local level.
